### MONEY ORDERS.

1. When applying for Money Orders, the public should use the prepared printed "Application Forms," which are supplied gratuitously at all Money Order Offices, viz :—

1. Application for Inland Orders;
2. Application for Foreign and Colonial Orders.

2. The commission on inland Money Orders is :—

For sums under 10s - - - - -	2d	For sums of 6l and under 7l - -	8d
" " of 10s and under 2l - - -	3d	" " " 7l - - - - -	9d

" " " 4l " " " 5l - - -	6d	" " " 10l . - - - -	1s
" " " 5l " " " 6l - - -	7d		

3. No order is allowed to contain a fractional part of a penny.

4. No money Order can be issued, unless the applicant furnish in full the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name, must also be furnished.

*Exceptions*—1st. When the remitter directs at the time of issue (which he is at liberty to do), that the order, by being crossed like a cheque, be made payable only through a bank, it is left to his option to give or withhold the name of the payee.

2nd. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.

3rd. The usual designation of a firm is sufficient, except in the

case of a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company."

A Money Order, when once issued, cannot be cancelled.\*

No Money Order, or Savings Bank business is transacted on a Sunday or Sacramental Fast Day.

\* APPLICATIONS TO RETURN LETTERS.—A letter, when it has once been posted, cannot be returned to the writer, but must be forwarded to the person to whom it is addressed.

CHANGE AND BAD MONEY.—No Postmaster is bound to give Change, or is authorised to demand Change; and when any money is paid at this office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

POST OFFICE SAVINGS BANKS.

1. Post Office Savings Banks are established at all Money Order Offices in the United Kingdom, and are open for the receipt and payment of money daily during the hours appointed for Money Order business. Deposits, however, are received, as a rule, at Town Receiving Houses in provincial towns up to a late hour on Saturdays.

2. At these Banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year ending 31st December, or make a further deposit when the total amount standing to his credit has reached £150 exclusive of interest.

3. Interest at the rate of £2 10s per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one halfpenny on each complete pound for each month, reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed until the sum due to a Depositor amounts to £200, when interest ceases to be allowed. The interest due to each Depositor is added to the principal due to him on the 31st December in each year.

INLAND LETTERS—RATES OF POSTAGE.

The rates of postage when prepaid are as follows, viz. :—

For a letter not above 1 oz. ... ..	1d
„ above 1 oz. but not above 2 oz. ...	1½d
„ „ 2 oz. „ 4 oz. ...	2d
„ „ 4 oz. „ 6 oz. ...	2½d
„ „ 6 oz. „ 8 oz. ...	3d
„ „ 8 oz. „ 10 oz. ...	3½d
„ „ 10 oz. „ 12 oz. ..	4d

A letter above the weight of 12 oz is liable to a postage of 1d for every ounce, beginning with the first ounce. Thus, a letter weighing 14 and 15 ounce must be prepaid 1s 3d.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

---

### ADDRESSES TO THE QUEEN AND PETITIONS TO PARLIAMENT.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a Member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or are in covers open at the sides. No letter, or other enclosure, however, must be inserted, and if one be found, such enclosure, unless it bears the proper number of postage stamps, will be charged as an unpaid letter.

---

### INLAND NEWSPAPERS.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one half-penny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable for a book packet of the same weight, viz, one half-penny for every two oz., or part of that weight.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The newspaper wrappers are sold at 8 for 4½d.

The Post Cards are sold at the following prices:—Thin Cards, 7d; Stout Cards, 8d per dozen.

Foreign Post Cards may be sent to all the countries comprised in the General Postal Union.

Foreign Post Cards with an impressed stamp of 1d and 1½d each are sold at that rate, and are transmissible to the majority of the countries of the Union without extra charge.

---

### INLAND BOOK POST.

The following are the regulations for the Inland Book Post:—  
The postage is one half-penny for every two oz. or part of that weight.

A packet posted wholly unpaid is charged with double the book postage; and if posted partially prepaid, with double the deficiency.

A book packet may be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing-wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with string; Postmasters being authorised to cut the string in such cases, although if they do so they must again tie up the packet.

CIRCULARS—*i.e.*, letters which, according to internal evidence, are being sent in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

---

### ABUSE OF THE BOOK POST.

It seems to be but imperfectly understood, that there is no legal way of sending a letter, other than a Circular letter, through the post for a postage of a half-penny, except by means of a post-card.

A notion appears to prevail that, because a post card, which is open to inspection, may have a letter written or printed upon it, any card whatever, and even any piece of paper, if only it be placed in an open wrapper, may be sent through the post with a letter written or printed upon it for a postage of a half-penny.

It seems necessary, therefore, to explain for the guidance of the public—

1. That the letter rate of postage must be prepaid for any communication of the nature of a letter, whether it be placed in a closed envelope or in an open cover, unless a post card be used for the purpose, or unless the letter be a circular letter,—*i.e.*, a letter having internal evidence that it is intended for transmission, in identical terms, to several persons, and the whole or greater part of which is printed, engraved, or lithographed.
2. That cards having merely a half-penny adhesive stamp affixed to them must not bear any communication of the nature of a letter, unless it be a circular letter.

Large numbers of letters, not being circular letters, are from time to time found in half-penny wrappers, contrary to the express provisions of the book post; and, as the officers of the department are instructed to surcharge all such letters with additional postage, it will save not only trouble to the Post Office but annoyance to the public, if care be taken always to pay letter

postage for letters other than circular letters, unless they be written or printed on post cards.

---

## REGISTRATION

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is 2d.

Every letter, &c., to be registered should be presented at the counter, and a receipt obtained for it, and should on no account be dropped into a letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into a letter-box, it will, "if directed to any place in the United Kingdom," be liable to a registration fee of 8d, instead of the ordinary fee of 2d.

All inland letters which contain coin, watches, or jewellery, even though they be posted without registration, are treated as registered, and are charged on delivery with a registration fee of eightpence in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the Mail for which they are posted, are detained for the next despatch.

The registration of a packet makes its transmission much more secure, inasmuch as, under ordinary circumstances, a registered packet can be traced through its whole course; and thus the loss of a registered packet is a very rare occurrence.

---

## ARTICLES NOT ALLOWED TO BE SENT BY POST.

1. It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card, having thereon any words, marks, or

designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent up to the Returned Letter Office, London.

2. Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or to do bodily harm to any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary. The following are examples of the articles referred to :

A glass bottle, or glass in any form ; leeches, game, fish, meat, fruit, or vegetables ; bladders or other vessels containing liquids ; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion ; razors, scissors, needles, forks, or other sharp instruments are also forbidden, except when sent in packets or samples to foreign countries on the conditions mentioned in Rule.

# The Scottish Equitable LIFE ASSURANCE SOCIETY

Head Office:

26 ST ANDREW SQUARE, EDINBURGH.

**T**HE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY combine the advantages of Unquestionable Security, Liberal Conditions of assurance, and early participation in Profits. It is an entirely mutual society there being no shareholders to absorb any portion of the profits. These are ascertained at intervals of five years, and divided among the holders of participating policies according to an equitable arrangement, which gives a progressive bonus according to the length of time a policy has been in force. It is the aim of the Directors to give the Members the benefit of every real improvement in the practice of life insurance that is suggested by experience.

**REVIVAL OF LAPSED POLICIES.**—If the assured is in good health, a lapsed Policy will be revived at any time within twelve months after the date of forfeiture, on payment of the Premium in arrear, with a fine of five per cent upon the Premium if paid within a month after the date of forfeiture and an additional two-and-a-half per cent for each further month that shall elapse before payment.

**SURRENDER OF POLICIES.**—In the case of Participating Policies effected at the ordinary Tabular Rates, on which three years' Premiums have been paid, the Minimum Surrender Value is thirty-three per cent of the Premiums paid, in addition to the value of the Bonus.

**FREE OR PAID-UP POLICIES.**—In lieu of Surrender Value, a paid-up Policy of corresponding amount may be obtained subject to no further payment of ordinary Premium.

**LOANS TO POLICYHOLDERS** are granted to an extent not exceeding the Surrender Value of the Policies, at 5 per cent Interest, free of all expense and without any other security than the deposit of the Policies.

**HALF-CREDIT OR PREMIUM LOANS.**—In the case of Participating Assurances, the age not exceeding 50, one-half of the Annual Premiums for the first five years may be retained as a loan, interest at 5 per cent on the sums so retained being payable yearly in advance along with the other half of the Premium.

**MARRIED WOMEN'S PROPERTY ACT, 1870.**—A married man in England or Ireland may effect a Policy on his own life for the benefit of his wife or wife and children, and the Policy will be secured to them free from all claims of his creditors, in the event of his becoming afterwards insolvent. The Directors have lately had a new form of Policy prepared with very great care, which will render it unnecessary to have a trustee specially appointed to receive the policy moneys, so that the representatives of the assured will be saved the expense attendant on the legal proceedings for that purpose. A married woman may also assure her own or her husband's life for her separate use, under the special provisions of this Act.
